To clarify further. This is a true commission sales agent role in the traditional sense that the agent supplies their own vehicle etc etc & gets paid commission on sales generated.

Applicants will probably be adding this to a number of other agencies that they already have or it could be a secondary job (however would need you to be focused on achieving high sales targets).

You can be based anywhere. Our office is in Auckland Central, but there is no need for you to live locally.

Our customer base is primarily : gyms, supplement stores, health food outlets, nutritionists, wellbeing experts.

Product is a niche health food, Eggcel™, 100% Pure Egg Whites, made in New Zealand, no additives or preservatives. Stockists must have chilled refrigeration.
